is pleased to sponsor the,

2009 Family Snowmobile Trip to Mount Sylvester

Date: Sunday February 15, 2009 (Weather Permitting)

This Drug & Alcohol Free Event is in Aid of Daffodil Place

On Feb 15, 09 weather permitting, the Miawpukek Economic Development Department will be sponsoring the Annual Ride to the Mountain Trip. If this date does not work for us, we will reschedule the event for March 8, 09.

There are a few changes to note. There is a registration fee of \$10.00 per snowmobile this year. In addition, we will be asking all participants to make a donation to aid in the development of Daffodil Place in St. John's. The donations raised will go towards developing this family support center for people affected by Cancer in Newfoundland & Labrador.

Also, this year the ride will start at the Park. The route will take us to Medonnegonix lodge and then on to the mountain. We will then follow the same route back to the lodge for a hot meal. Once refreshed we will then return to our departure point.

At the lodge you can relax, enjoy the great outdoors, and try some ice fishing.

The 2007 Snowmobile Trip was a Huge Success with 75 participants!
